Dear Osabe,
I'm sorry about before. You went through a lot because of me. Thanks for the shoes and the jacket. Did you get home OK?
It was raining so hard. My dad was insanely pissed at me, but it was fine.
I just wanted to be with you, somewhere no one could get in our way. Why does it have to be like this? I want to be with you. From now on.
I want to give you back your shoes and jacket, so meet me at the back gate after school, okay?

Shigeru has finally awakened from the coma he's been in since Seiko pushed him off the cliff—but he remembers nothing of the incident, nor does he even recognize his assailant. Rather than setting Seiko's mind at ease, however, this only serves to disturb her further.

Meanwhile, Seiichi is determined to keep his promise to his mother — with devastating consequences for everyone around him.
